for the following articles:

Matress ticking made of yarn dyed woven and knitted fabrics from polyester, cotton, cotton/polyester and their blends with polypropylene, viscose (viscose : light grey, raw), with or without metallised yarns, with or without elastane.

Matress covers (without labels) made of yarn dyed woven and knitted fabrics from polyester, cotton, cotton/polyester and their blends with polypropylene, viscose (viscose undyed), inclusive accessories (sewing threads, loose polyester fibre, foam, nonwoven and zippers).

Nonwoven in 100% polypropylene (white) : ref. BTX RSP0000.

Only based on materials already certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 30.04.2014
